- 6) Discussion with principal:

Schoolcamp: Budget per student is 225 voluntarily. Schoolkamp+stayokay is around 150-200 euro per person which is too much compared to the budget. Before NPO, the school was small enough to go with all classes at once. Now organizing it is too much of a hassle.

A plan could be made for developing a less stressed school camp with better organization but maybe not every year. With budget, organization and teacher time taking into account. Budget distribution is being looked at by management.

An invitation will be sent to students, teachers, parents and Jenno to make a schoolwide fieldtrip / schoolcamp plan.

Van Hallstraat:

80 Students in 4 classes. Only T0 classes.

Lesuitval

Management looks at writing a few sentences about lesuitval in the schoolguide.

Music staff:

The same amount of FTE is spent on music as last year. But due to not every teacher wanting to teach in primary there is less music taught in primary.
